

Beth Hillel Bnai Emunah Academy High School

2017-2018 Information & Registration Form

Students in grades 9-12 are invited to participate in our high school work-study experience. The program consists of two fundamental building blocks: the **Madrachim Program** and the **Hands-on Group Experiences**. Students can choose to participate in either component independently, or do both!

Madrachim Program

Sundays, 9:00 a.m. - 11:00 a.m.: Those who choose to serve as **Madrachim** (aides in the Academy) will work under the guidance of our Youth Director and our Director of Education while serving as role models for younger students. **Madrachim** can apply for a broad range of concrete assignments, and will receive a salary for their work. Assignment choices can be found on page 3 of this form. (Interested and qualified students can also choose to serve as Shabbat Service **Madrachim** on Saturday mornings from 10 - 12, helping out in Tot Shabbat or Jr. Congregation.)

Hands-on Group Experiences

Sundays, 11:00 a.m. - 12:00 p.m.: This series of group experiences are designed to guide teenagers in developing a personal relationship with the Jewish tradition through hands-on learning and action. The sessions will rotate through four distinct areas: Jewish Culture, such as cooking, Social Action, Leadership and Madrikh Training with the Youth Director, and Text Study. All the high school students will be together as a group for these experiences.

To register, please provide the information requested on the next page. Parents should complete the releases on page 4. Return completed forms to Aaron Frankel at the synagogue office.
